

SEPTEMBER IS CHILDHOOD CANCER AWARENESS MONTH

Every year charities and supporters around the world work hard to raise awareness of childhood cancer as well as celebrate the wonderful work many charities do in this area.

There are hundreds of ways to show your support this September and to raise money for your chosen charity – and we have picked out a few of our favourites! So what are you waiting for? Let's get started!

WEAR YOUR GOLD RIBBON

A gold ribbon is the international symbol for Childhood Cancer Awareness Month, and is worn by many to help raise awareness. You can order your own gold ribbon badge from Kidscan – or get creative and make your own! It doesn't matter how, as long as you wear your ribbon throughout September.

SHARE YOUR STORY

Already got your ribbon?

Tell us who you are wearing #GoldFor this September by sharing your story with us. Raising awareness is key to helping us fight the challenges facing children diagnosed with cancer.

Visit www.goldfor.org.uk to share your story

FUNDRAISE

Fundraising for your favourite charity this September can be fun, especially if you make it gold themed to help raise awareness at the same time! To give you some ideas you could;

- Host a gold themed bake sale with edible glitter and gold sprinkles
- At work or school host a gold themed dress down day
- Hold a community treasure hunt complete with hidden gold coins
- Get sponsored to wear a gold jumpsuit all day
- Trade in your old gold jewellery and donate the money
- Get on your mariGolds and ask for donations in return for cleaning
- Take on a sponsored run and aim for gold!

MAKE A PLEDGE

The fight against childhood cancer doesn't stop once Childhood Cancer Awareness Month is over – our researchers work tirelessly all year round. So instead of fundraising this September - why not make your pledge to take on a sponsored challenge this year or pledge to hit a fundraising target?

READY TO GET STARTED?

That's great! Simply let us know about your fundraiser and we will send you our fundraising pack full of tips, tricks and fundraising materials. We'll even be on hand to support you with anything you need!

DONATE

Fundraising isn't for everyone, so if you are looking for other ways to support KidsCan why not make a donation instead? Just £10 funds 1 hour of vital research bringing our researchers one step closer to beating childhood cancer.

- Visit www.kidscan.org.uk/donate
- Send us a **cheque payable to "KidsCan"** to KidsCan Children's Cancer Research, Alumni House, Acton Square, Manchester, M54NY
- Visit our Facebook page [@KidscanUK](https://www.facebook.com/KidscanUK) to donate via social media
